Timberline Fire Protection District
Attention Board President Rick Wenzel and Board of Directors
Station #3: 19126 Hwy. 119
Black Hawk, CO. 80422

Subject: Letter of Intent Board of Directors Appointment

Dear President Wenzel and Members of the Board,

I am interested in serving as a Member at Large on the Timberline Fire Protection District Board of Directors. As a 30 year resident and property owner in Colorado Sierra, I deeply value the dedication of our firefighting, medical, and mitigation personnel who keep our mountain community safe.

I bring a lifelong commitment to community service and a practical understanding of local governance. I served as a Board Member on Longmont's Human Relations Commission. I was an Eldora Volunteer Ski Patroller for 13 years. I've been a Laboratory Professional for 40 years. With my professional background in budgeting, project management, and government administration as the Anatomical Pathology Supervisor for the Minneapolis VA Medical Center, I am eager to help the district responsibly manage its resources, navigate upcoming ballot measures, and support ongoing capital and safety initiatives.

Serving on the board is an opportunity to give back and ensure our district remains transparent, fiscally sound, and well-prepared for year-round fire and emergency challenges. I am available to attend upcoming meetings—held regularly at Station #3—and would welcome the chance to discuss my application with the board in person.

Thank you for your time, consideration, and continued service to our district.

Sincerely,

Sandra Harrison
