Dear Timberline Board of Directors,

Please accept this as my formal resignation from my position on the Timberline Fire Department Board of Directors. I have agreed to make this effective immediately with Board President, Rick Wenzel, and will not be attending any organizational meetings or events as a Director moving forward.

I have the utmost respect for the organization, including all the Firefighters, Board Members, Chief Ondr, Administrative Chief Hinderman and all other administrative staff. I appreciate all the hard work that is done to protect and serve our community and will continue to talk highly of all the initiatives that are critical to keep us safe in our Mountain Towns.

At this time I am transitioning my businesses and personal life so feel it is best that someone fill the role that can provide the full attention that the position requires and the Board of Directors deserves. I appreciate the relationships made, support provided and opportunities presented to me personally from Timberline.

Sincerely,

Mary Kate Mc Kenna
