

MONTHLY FIRE CHIEFS REPORT

Regular Meeting: May 12, 2026

Operations:

- We responded to 38 calls in April.
- Average response time in March was 12 minutes and 11 seconds.
- Station 3 now has a brush truck and tender responding from it.

Support Services:

- Dan has spent several days working at Station 3 installing additional cameras, WIFI extenders, and filling the cistern.

Wildland/Mitigation:

- Brush 59 is wrapping up 21 days in South Dakota. They plan to be back on Friday, and available again on Tuesday.
- We are swamped with assessment and residential work
- Pinecliffe mitigation is ongoing
- All 2025 deployment funds have been received
- There is plenty of free firewood available at Station 4.
- New mitigation software is nearly ready for launch.

Administration:

- Multiple construction meetings
- USDA meetings – we received our first distribution of USDA/CDS funds.
- Audit preparation is ongoing – audit begins on Monday
- The community presentation last evening went very well.

R&R:

- All new recruits are now shifting and working on task books.

Training Events and Activities:

- This month's training topic is auto extrication
