

MONTHLY FIRE CHIEFS REPORT

Regular Meeting: February 10, 2026

Operations:

- We responded to 63 calls in January.
- I am working on generating reports from our new system.
- We are back with Dr. Branney at St. Anthony's Hospital as our Physician Advisor.
- All hands meeting on 1/30/26
- Working with the County and a property owner in Rollinsville on a cistern plan for the east side.

Support Services:

- Station 5 generator is complete
- Station 4 generator is repaired
- Station 3 generator is operational
- We are getting new bids on bunker gear in preparation to order 5-6 sets.

Wildland/Mitigation:

- Brush 59 is available nationally.
- Residential work is still ongoing.
- We have started the Pinecliffe Mitigation project

Administration:

- Multiple construction meetings
- USDA meetings
- First Due implementation
- Attended the County After Action Review (AAR) for the windstorm

R&R:

- Interviewing 23 potential volunteers from 60 applications.
- Plan to onboard up to 20 new volunteers. Onboarding begins in mid-March.

Training Events and Activities:

- This month's training is SCBA confidence.
- We have implemented a new point requirement for training starting April 1.
