**New Business:**

Consideration of payment to Krische Construction, Inc., prior to the USDA/CDS Grant distribution. Director Wenzel discussed our current Pay Application issues. Director Wenzel would like to make a partial payment to them to show that we have good faith to pay them while we work through the current hurdles. The board has concerns about funding KCI without approvals from the USDA.

Director McKenna motioned to make a partial payment to KCI in the amount of \$154,358.74, which is the current balance in the Lease Purchase #2 account. 2<sup>nd</sup>: Director Turner. Director Bushey is concerned about the USDA not funding the remainder of the grant – he had a guarantee in writing that he would consider. Director Turner agrees that we need to try to catch up on our payments. John Carder has the same concerns as Director Bushey.

**Motion Passed** – Directors Carder and Bushey no.
